REDLARA

RED LATINOAMERICANA DE REPRODUCCIÓN ASISTIDA

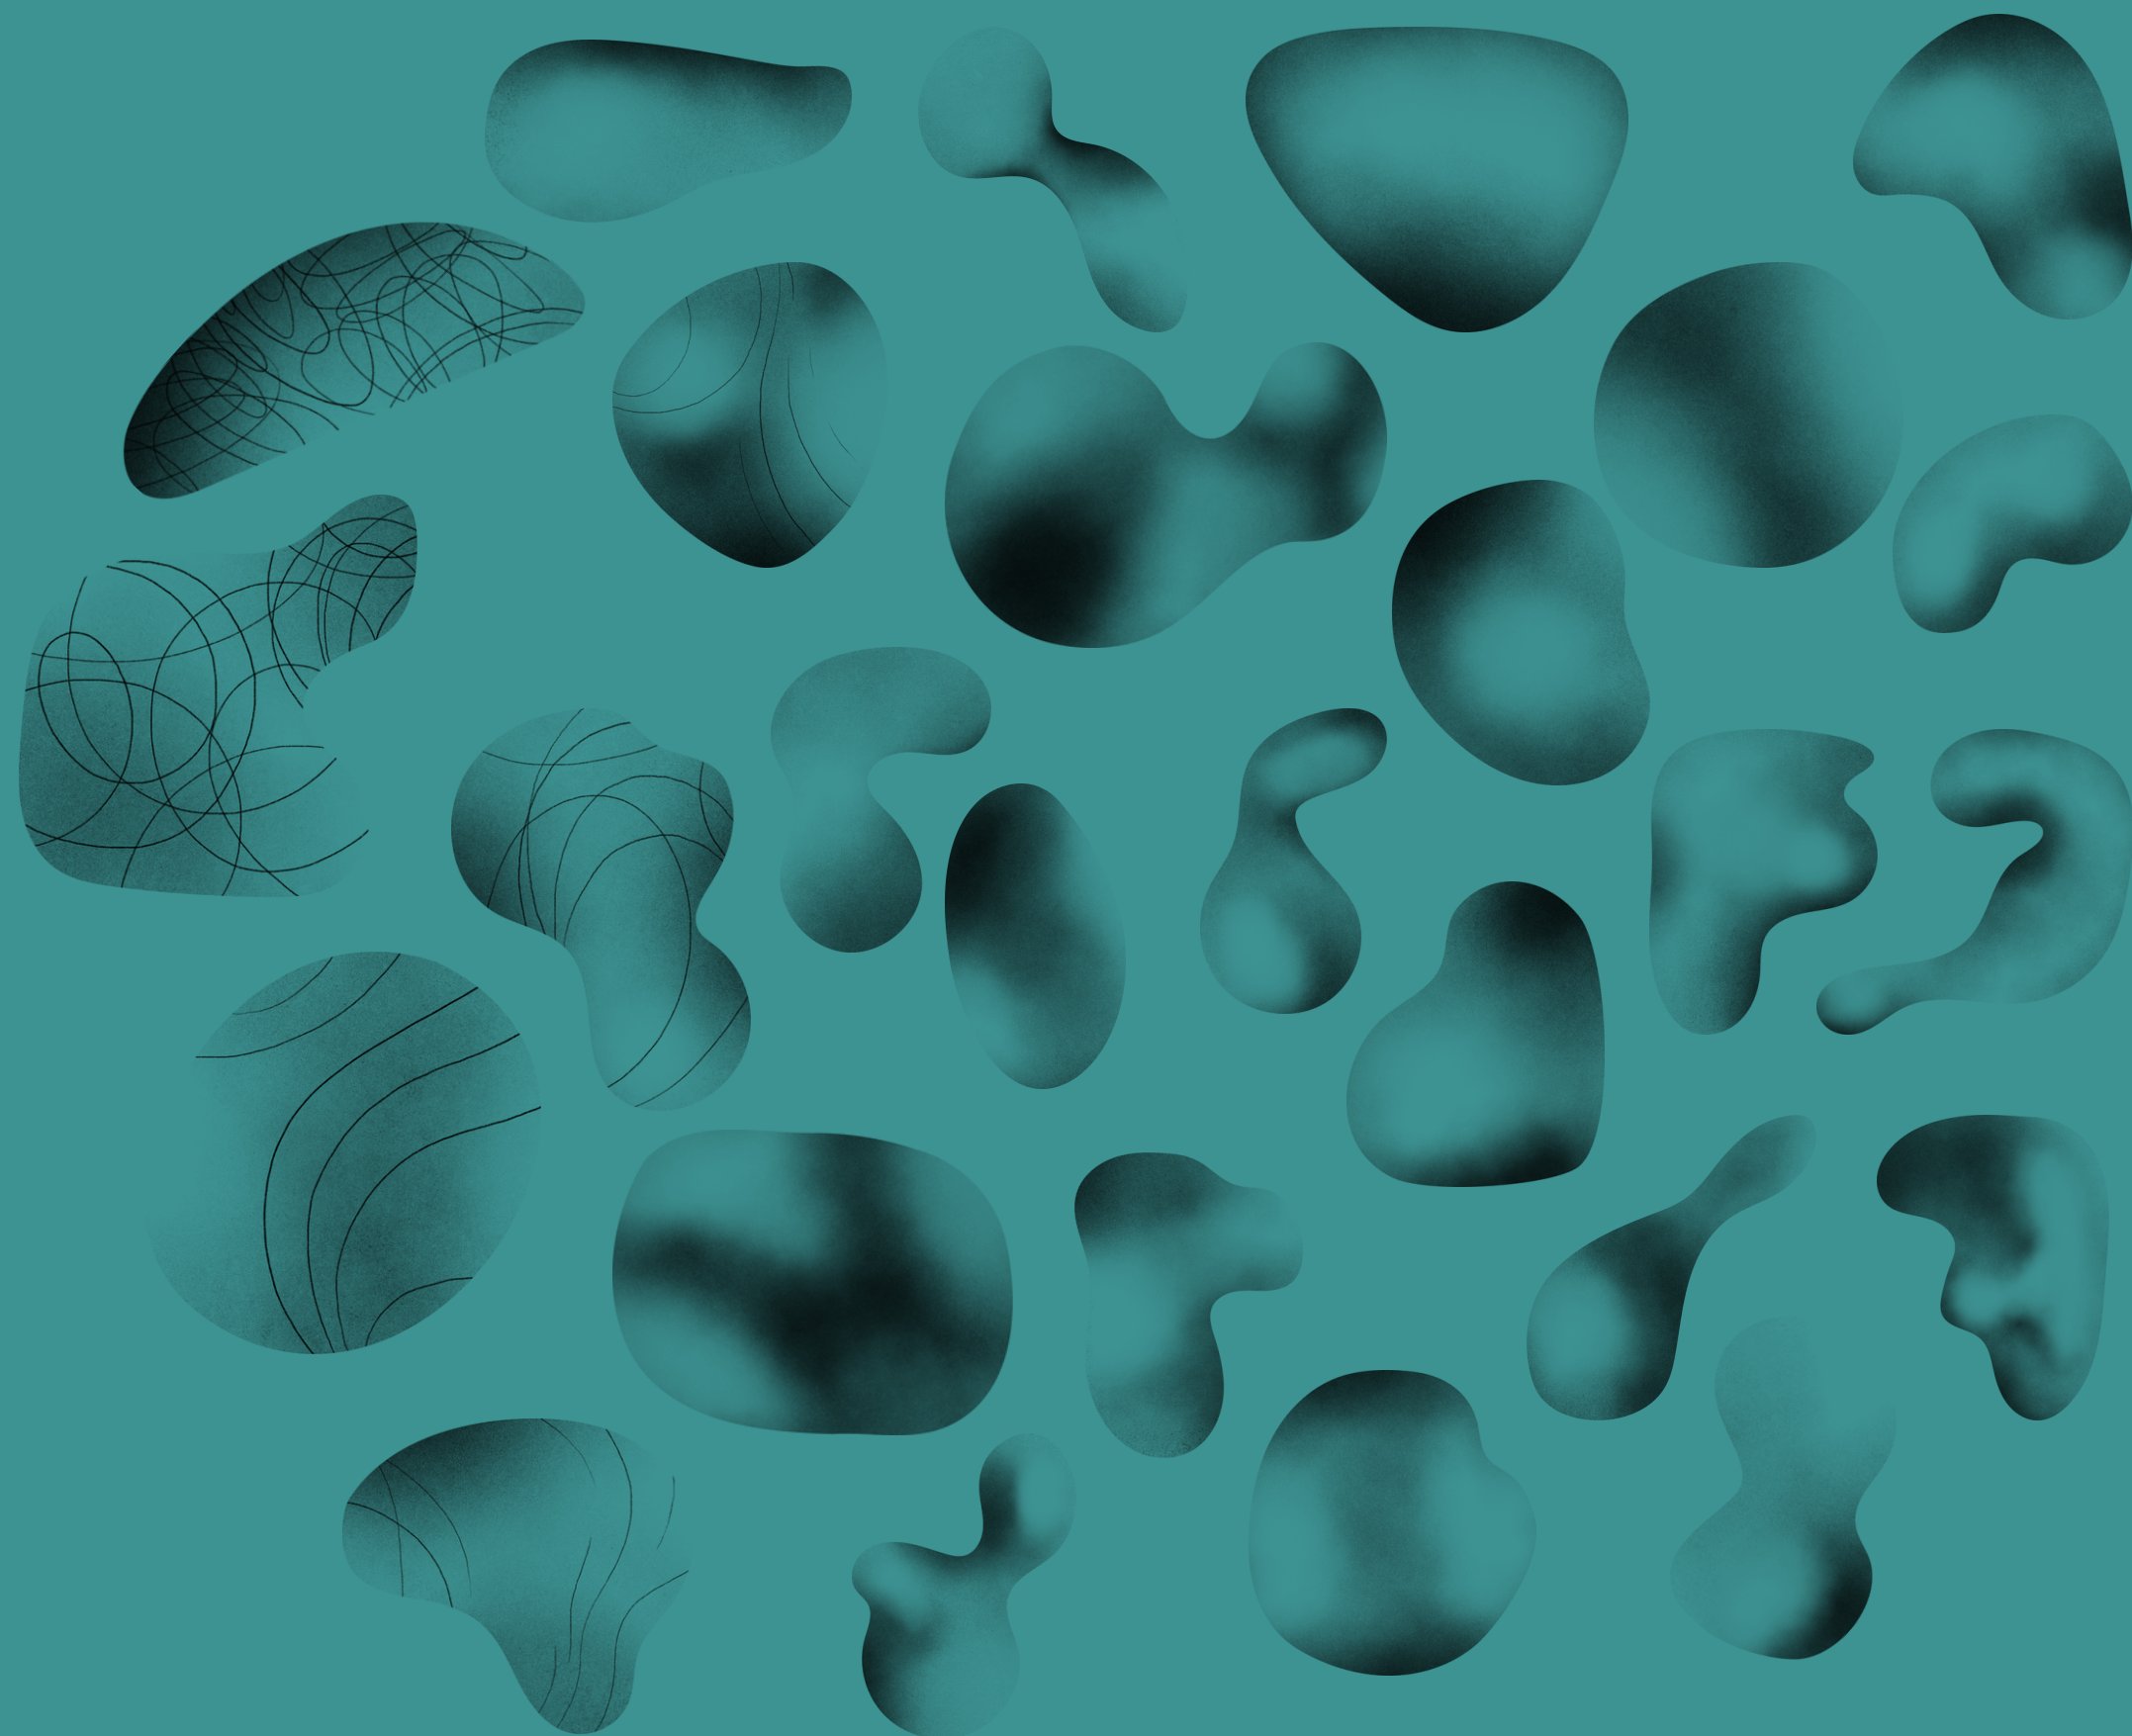

16º

Medellín is the city of eternal spring,
symbolizing blossoming and rebirth.

The bee symbolizes abundance, development,
order, diligence, loyalty, cooperation and
nobility. It represents the work of assisted
reproduction professionals in their clinics, as a
team. It is associated with fertility, biodiversity
and wealth, it is an important promoter of life on
our planet and for the preservation of nature.
