Dr. Israel Maldonado (Mexico)

WORKSHOP COORDINATOR:

Liliana Berenice Ramirez, MS (Mexico)

Thu, May 19, 2022

8:15 am - 2:30 pm (CST)

Hotel Intercontinental Presidente

Mexico City, Mexico

contact@maea.org.mx

Free Registration for both in-person and virtual audience

SCIENTIFIC PROGRAM (HYBRID):

Free Registration for both in-person and virtual audience

8:15 - 8:25 am

Welcome and opening remarks (live)

Dr. Israel Maldonado and Prof. Ashok Agarwal (Mexico & USA)

8:25 - 8:45 am

The Future of Andrological Evaluation and Management (live)

Dr. Ramy Abou Ghayda (USA)

8:45 - 9:00 am

Testicular-epididymal imaging and MAGI: the Role of Artificial Intelligence (virtual)

Prof. Aldo E. Calogero (Italy)

9:00 – 9:15 am

Advanced Andrology and Artificial Intelligence in the Diagnosis of Male Infertility (live)

Prof. Ashok Agarwal (USA)

9:15 – 9:30 am

The Truth about the WHO Sixth Edition: The Good, the Bad and the Ugly (virtual)

Dr. Rossella Cannarella (USA-Italy)

9:30 - 9:45 am

Gazing in the Crystal Ball: What to Expect in the WHO 7th Ed (2030) (virtual)

Dr. Rupin Shah (India)

9:45 - 10:45 am

Moderated Question and Answer Session (both live and virtual)

Workshop Moderators: Dr. Ramy Ghayda (USA) and Dr. Rupin Shah (India)

International Expert Panel: Dr. Amarnath Rambhatla (USA), Prof. Ramadan Saleh (Egypt), Prof. Aldo E. Calogero (Italy), Dr. Rossella Cannarella (USA-Italy), Juan Francisco Lizárraga Salas (Mexico), Dr. Gokhan Calik (Turkey), Dr. Giorgio Russo (Italy), Prof. Giovanni Colpi (Switzerland-Italy), Dr. Hussein Kandil (UAE), Dr. Gianmaria Salvio (Italy), Dr. Eric Chung (Australia), Dr. Marlon Martinez (Philippines), Dr. Sunil Jindal (India), Prof. Dung Mai Ba Tien (Vietnam), Prof. Mohamed Arafa (Qatar-Egypt), Dr. Haocheng Lin (China), Prof. Hyun Jun Park (Korea), Dr. Fotios Dimitriadis (Greece), Dr. Priyank Kothari (India), Dr. Nazim Gherabi (Algeria), Prof. Sandro La Vignera (Italy), Dr. Sava Micic (Serbia), Prof. Taymour Mostafa (Egypt), Dr. Vilvapathy S. Karthikevan (India), Dr. Widi Atmoko (Indonesia), Dr. Damayanthi Durairajanayagam (Malaysia), Prof. Hassan Sallam (Egypt), Dr. Imad Ziouziou (Morocco), Dr. Marjan Sabbaghian (Iran), Dr. Nguyen Ho Vinh Phuoc (Vietnam), Dr. Ponco Birowo (Indonesia), Ricky Adriansjah (Indonesia), Dr. Tuncay Toprak (Turkey), Prof. Taha Abo-Elmagd Abdel-Meguid Hamoda (Saudi Arabia-Egypt)

10:45 - 11:00 am

Take Home Messages (live)

11:00 - 11:30 am

Coffee break

Practical Workshop:

Demonstration of Advanced Technologies
(Live session)

11:30 – 1:00 pm

Semen Analysis with the world's smallest Computer Assisted Semen Analyzer with Artificial Intelligence

Sperm chromatin decondensation by a novel test kit and counting device using Artificial Intelligence

1:00 – 1:30 pm

Oxidative stress measurement by a novel device

1:30 – 2:00 pm

Question and answer session

2:00 - 2:30 pm

Luncheon

2:30 pm

End of Workshop

Free Registration for both in-person and virtual audience
